[REDACTED] Robert

The visit was coordinated with [REDACTED] (ccd above). As far as I am aware the only meeting that is scheduled commences at 10.30am and is with:

[REDACTED], Commercial Director, Energy Place Directorate, Bristol CC
[REDACTED], Service Director, Economy, Bristol CC
[REDACTED], Head of Inward Investment, Invest Bristol and Bath
[REDACTED], Director of Environment and Community Services, South Glos
[REDACTED], Head of Area Homes & Communities Agency, Bristol CC

I think this makes a 12.30 meeting possible assuming your diary permits. I am sure [REDACTED] would want to join as well.

Dear [REDACTED], Barra, and Robert,

I hope this finds you well. I wanted to drop you a quick line as I understand you all met various members of L&G's team at the Downing St event last week.

[REDACTED] I understand from your email to [REDACTED] below that it would be worth our exploring a 'package' of potential investments with you. Barra and Robert, [REDACTED] wanted me to follow up his conversation with you – particularly on the Bristol Arena scheme and its surrounding Affordable/PRS units, to see if we might provide some investment to help bring that forward. (Barra, I've remembered our conversation when I visited just before Christmas – hence not rushing to get in touch in the intervening months!)

In the first instance, perhaps it would be worth arranging a follow up trip to Bristol to explore opportunities with [REDACTED], and catch up with Barra and Robert on the Arena and its PRS (and any other projects you think worth mentioning – perhaps worth a quick catch up on Colston Hall too?). If that sounds like a good plan to you all, I'd be happy to come over. Would you mind giving [REDACTED], cc'd, some options that work for you – ideally in March or April, unless there's a particular urgency at your end?

All the best,

[REDACTED]

PS. Also, will any of you be at MIPIM this year?

Dear [REDACTED]

Following your conversation with [REDACTED] 10 Downing Street on Tuesday I am writing to arrange a follow-up visit to the West of England in the near future.

I understand [REDACTED] spoke to you about creating a diverse package of investments for L&G across low carbon, technology, property and infrastructure.

On that basis we would be delighted to host a team on any day that is appropriate to explore those opportunities and help us to build the right package. I should also mention that we are meeting [REDACTED], your regional director on 16 March which I assume will tie in with this to some extent.

I look forward to hearing from you soon.

Hi All

This is a little obtuse! Tall and the short of it is that L&G are going to announce a new investment vehicle to act as a conduit for property investors to get involved in regen schemes across the country with much of the risk removed and with, presumably, a better understanding of markets other than just London.

Like I say it is a little obtuse so may need some extra clarification but worth a read anyway.

Hi All

Not that I have any right to proffer an opinion but I think it was a very good session today.

Leaving aside the obvious opportunism from [REDACTED] and [REDACTED] there is some serious interest from [REDACTED] and he clearly has the means.

I appreciate there were a number of actions we all took away. However one key action he asked me for when we were on our walk around was a very high level bullet point summary (a la Barra 10 point briefing note) of the nature of the station revamp requirement. This needs to include;

1. the scope for commercial income from the tunnel,
2. What BCC/Network rail think is the scope for commercial return out of the station in its entirety based on the best of our understanding (before English Heritage have finalised their opinions).
3. the ambition for the Post Office site and its integration into the tunnel entrance

Can we provide him with this?

Thanks

Dear [REDACTED]

For some reason, we're holding the 8th in my diary for a meeting with you at 10am, and lunch with Rob Orrett at noon – not the 7th? I've cc'd [REDACTED] in the hope they might be able to shed some light on this, but think the 8th was arranged directly with you?

Many thanks,

Hi [REDACTED]

Hope you are well. I just wanted to double check we have everything straight for our meeting on the 7 May.

I notice you are not on the list of attendees and I know this was set up between [REDACTED] (I think) and Alistair Reid following the meeting in MIPIM which you weren't at. Then we obviously had a good after MIPIM that landed on a useful way of following up which neither Alistair or [REDACTED] was at so I am conscious there may be a little disconnect.

It is all squared on our side but can you confirm everything is confirmed at your end? We can then work up an agenda for the session.

Thanks

Thank you for the follow up. I am copying in my colleague [REDACTED] at Invest in Bristol and Bath who is putting together our schedule for MIPIM. We'll confirm asap as to what we can do but it would be great to meet.

In terms of a meeting in Bristol with [REDACTED], I am copying one of our assistants [REDACTED] who will put some time into matching diaries. If Robert Orrett, our Property Director is available he may join. Robert will also be in MIPIM.

I will follow up with a note on Redcliffe Way.

It was a pleasure to meet you last Friday. Having looked on the website the designs for the arena are looking fantastic.

As I mentioned we are really keen to investigate the wider opportunity on this site with L&G, and have taken on board your comments about employment use and are discussing with RTKL this week. I mentioned that I thought it would be worth meeting up with [REDACTED], MD of property and infrastructure for Legal and General at MIPIM next month. I have managed to get two half hour slots in his diary to see if either work for you. He could do 6pm on Wednesday 11th March or 11am on Thursday 12th March.

In the meantime I think following on from our next evolution of thoughts on site mix it would be sensible to come down to Bristol with [REDACTED], Head of Residential for L&G. I am sure both you and he will have crazy diaries, but if I get some options from him as he would need to clear at least half a day and then come back to you - is it worth looking in February or is your diary already fully booked?

We would also be keen to have a look at Redcliffe Way, if you wouldn't mind putting us on the list for any information/process you are running on the site.

Thanks and best wishes

Thank you for your time at Mipim to meet with L&G. Given diaries I felt it was opportune to capture some time whilst we were all in the same place. Alistair, one of the next steps you mentioned was a tour of the sites and discussion of the potential wider agenda for regeneration and supporting infrastructure in Bristol. The first date I have been able to get in [REDACTED] diary for him to come down to Bristol is 7th May. Would that work for you? If so I will see who else at L&G should usefully attend.

Dear Robert,

I hope this finds you well and enjoying the summer?

I just wanted to drop you a quick line to pick up on some of the points from our meeting back in May:

1) Engine Shed II: You mentioned that a paper was due to go to the LEP on the 1st of June, with a view to progressing this development. As and when you're ready to do so, we'd be happy to explore options as to how we might provide the long term capital investment to make it happen.

2) PRS/Build to Rent site opposite the Double Tree Hilton: if I remember rightly, you mentioned you were due to engage an advisor to assist with bringing this community-led scheme forward?

There are also a couple of additional schemes involving BCC that various agents have put to my team recently. It would be helpful to get a high level steer from you on these.

Would you be free for a call to discuss? I'm at my desk tomorrow morning from 9:30am – 12:30pm, or otherwise please do let Selena, cc'd, have some options that work for you.

Just to tie up some loose ends re: MIPIM, I believe [REDACTED] (my Managing Director, who you met at 10 Downing St) has a meeting with someone from BCC and Lodestone at 6pm on the Wednesday to discuss the Arena PRS scheme. Would that be you and/o [REDACTED] I'd suggest we should probably have at least some of our meeting separately from Lodestone, as we would not expect them to be involved in every investment we make in Bristol! Perhaps we should meet beforehand (say 5pm / 5:30pm?), and then join the Lodestone meeting at the Majestic afterwards?

Please do let [REDACTED] cc'd, know what works best for you so that we can book it into the schedule.

Dear [REDACTED] Barra, and Robert,

I hope this finds you well. I wanted to drop you a quick line as I understand you all met various members of L&G's team at the Downing St event last week.

[REDACTED], I understand from your email to [REDACTED] below that it would be worth our exploring a 'package' of potential investments with you. Barra and Robert, [REDACTED] wanted me to follow up his conversation with you – particularly on the Bristol Arena scheme and its surrounding Affordable/PRS units, to see if we might provide some investment to help bring that forward. (Barra, I've remembered our conversation when I visited just before Christmas – hence not rushing to get in touch in the intervening months!)

In the first instance, perhaps it would be worth arranging a follow up trip to Bristol to explore opportunities with [REDACTED] and catch up with Barra and Robert on the Arena and its PRS (and any other projects you think worth mentioning – perhaps worth a quick catch up on Colston Hall too?). If that sounds like a good plan to you all, I'd be happy to come over. Would you mind giving Selena, cc'd, some options that work for you – ideally in March or April, unless there's a particular urgency at your end?

All the best,

Subject: 10 Downing Street Follow-up

Dear [REDACTED]

Following your conversation with [REDACTED] 10 Downing Street on Tuesday I am writing to arrange a follow-up visit to the West of England in the near future.

I understand [REDACTED] spoke to you about creating a diverse package of investments for L&G across low carbon, technology, property and infrastructure.

On that basis we would be delighted to host a team on any day that is appropriate to explore those opportunities and help us to build the right package. I should also mention that we are meeting [REDACTED] your regional director on 16 March which I assume will tie in with this to some extent.

I look forward to hearing from you soon.

Regards,

Head of Inward Investment
